The Group

MODO is

a company specialising in integrated event solutions, from concept development through to on-site installation.

Our approach:

STRATEGIC SYNERGY: We combine commercial vision and technical expertise to deliver consistent projects from start to finish.

STRATEGIC DESIGN: Every project we design is conceived to generate tangible value and meet your business objectives.

OPERATIONAL DIRECTION: We manage the full logistical complexity — from production to on-site installation — acting as a single point of contact to ensure a hassle-free experience.

RESPONSIBLE IMPACT: We carefully select materials and production processes to deliver excellence while minimising environmental impact.

Creative and Concrete

CREATIVE DESIGN

From the initial concept through to 3D visualisation, we transform ideas into immersive experiences, allowing clients to visualise every detail before the project comes to life.

SET-UP & PRODUCTION

Bespoke interiors, scenic environments and advanced technologies, supported by continuous material research and manufacturing expertise, to create spaces that strengthen brand identity.

CONSULTING & SUPPORT

End-to-end consultancy throughout every stage of the project, from feasibility studies and technical planning to final delivery.

LOGISTICS

Transport planning, installation management and on-site coordination, ensuring precise execution, on-time delivery and seamless operations.

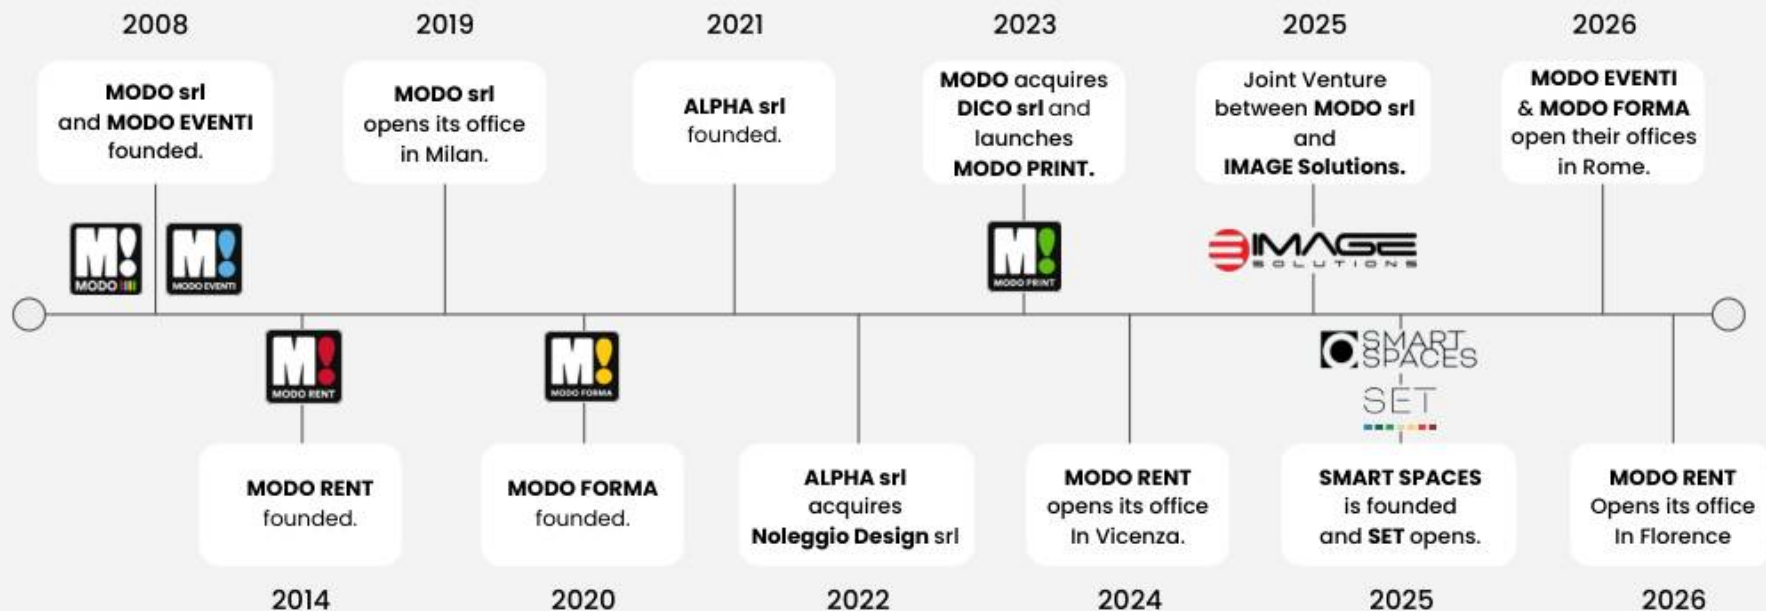

Where We Are

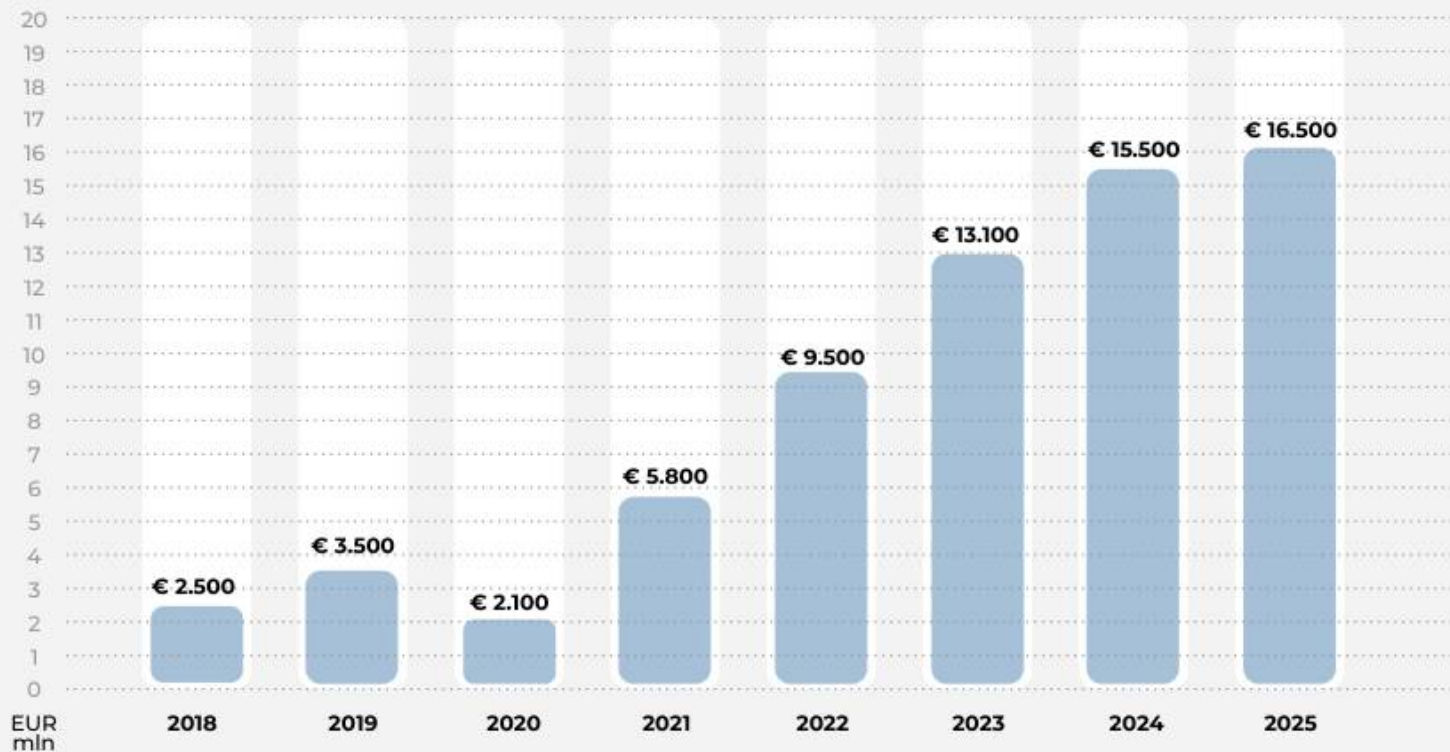

With five offices across Italy, we serve clients throughout Italy and across international markets.

Companies That Have Chosen Us

Quality and Sustainability

In an increasingly complex and competitive market, **environmental, social and ethical responsibility has become a key driver of sustainable growth, creating tangible value for both businesses and the wider community.** Sustainability is an integral part of our decision-making and operational processes, guiding our design and production choices at every stage of project delivery.

CERTIFICATIONS

ISO 9001 CERTIFICATION

We design and deliver projects in accordance with internationally recognised quality standards, ensuring consistent processes, operational excellence and continuous improvement.

ECOVADIS SILVER MEDAL

Our EcoVadis Silver Medal reflects a structured and measurable commitment to environmental, social and ethical responsibility, recognising our advanced approach to sustainability management.

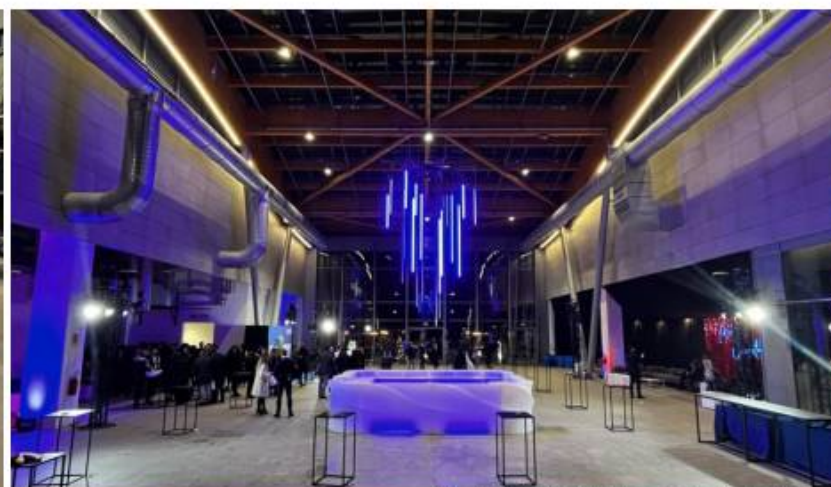

MODO EVENTI

MODO EVENTI

MODO Events specialises in **event production and delivery** and oversees the entire **operational process**, from **concept** development to **on-site installation**, ensuring **seamless coordination** between design, production and logistics, while maintaining **full operational control and quality standards**.

A Single Partner

to bring any type of event to life, even the most complex.

We manage every stage of the delivery process in-house, ensuring unified direction throughout the entire project.

A single point of contact, an integrated process, a consistent outcome.

**Available for hire for temporary events
or for purchase for permanent installations.**

A **self-supporting modular architectural system** featuring either a fixed roof or a motorised retractable roof.

Designed for large surfaces, it offers protection, comfort and maximum flexibility, suitable for **showrooms, bars, restaurants, temporary stores and events.**

Fully customisable to meet specific requirements.

MODO FORMA

MODO FORMA

MODO FORMA specialises in the **design and production of bespoke interiors and custom fit-out solutions.**

By overseeing the entire production process in-house, we ensure **uncompromising quality, full process control and seamless project delivery.**

MODO RENT

MODO RENT

Rental Solutions for the Events Sector

We provide furniture and event equipment rental services, supporting companies, professionals and private clients with projects of all sizes through a **structured, reliable and quality-driven service.**

Operational Excellence & Strategic Vision

We offer a comprehensive range of integrated solutions, supported by specialist consultancy, meticulous planning and seamless logistics management.

Our approach is driven by the continuous improvement of our processes and the development of a nationwide network that ensures **extensive coverage, flexibility and consistently high service standards.**

MODO PRINT

MODO PRINT

Print and Graphic Solutions for Visual Communication

We design and produce bespoke advertising graphics in both small and large formats, helping companies and professionals enhance their visual communication with reliable, high-quality solutions.

Production Excellence and Process Control.

We combine **advanced printing technologies** with **specialist expertise** to manage **every stage of the production process**, from initial consultation and graphic design through to manufacturing and installation.

Our goal is to translate our clients' brand identity into **distinctive, high-impact visual solutions**, ensuring **precision, consistency** and **measurable results**.

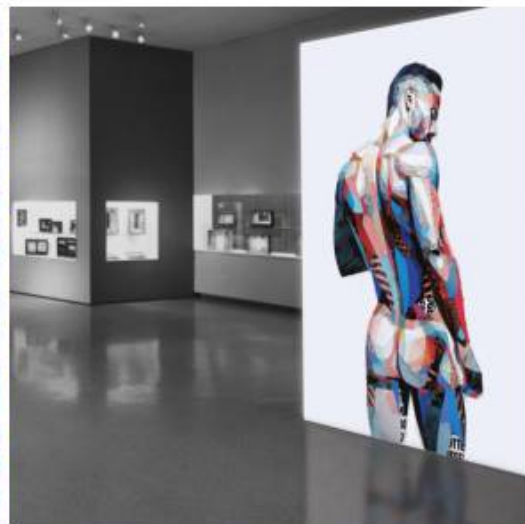

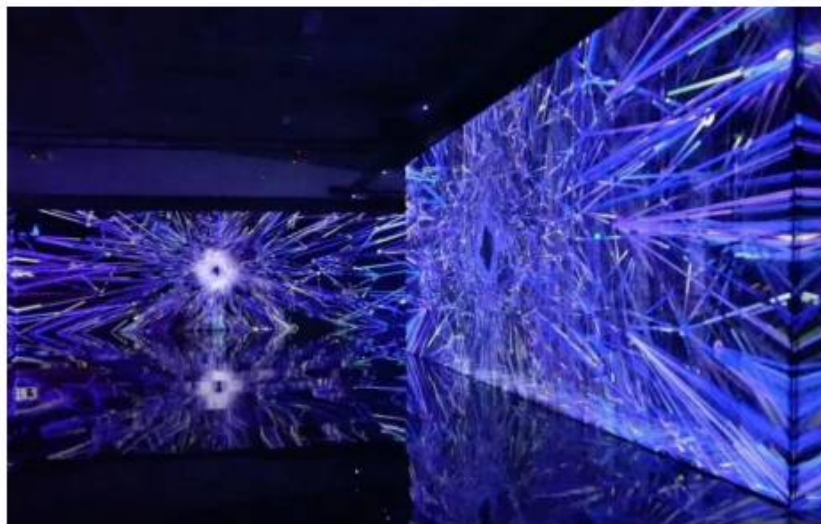

IMAGE SOLUTIONS

Display Systems and Visual Solutions for Retail, Events and Commercial Spaces

We design and manufacture modular, customisable visual communication systems, including backlit displays, LED walls, display structures and bespoke solutions, created to enhance brands, products and commercial environments.

LUMILITE is a professional **LED backlit display system** designed for high-impact visual communication.

It delivers exceptional brightness, outstanding colour accuracy and maximum visual impact. An ideal solution for **trade fairs, retail environments, events, showrooms and branded interiors**, combining elegant design, modularity and technical reliability.

From Design to In-House Manufacturing

Image Solutions combines technical design, system development and in-house manufacturing to deliver bespoke solutions for retail environments, trade fairs and both temporary and permanent installations.

We work alongside brands, fit-out specialists and general contractors to transform visibility and functionality requirements into reliable, scalable and high-impact visual solutions.

SCALO EVENTI TORINO

MODO Group Event Space

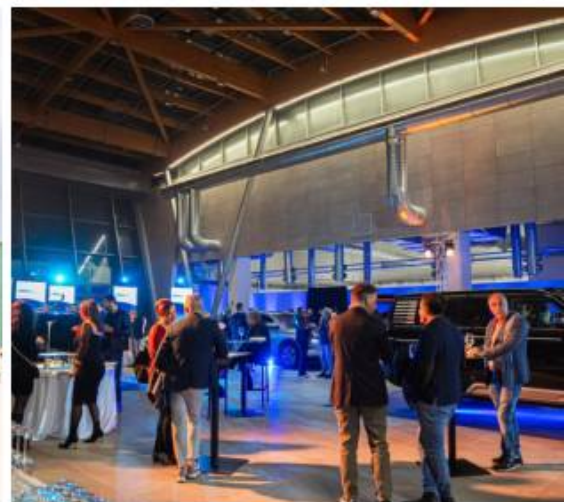

A versatile space, designed to transform visions in memorable experiences

SET – Scalo Eventi Torino is a multifunctional, modular venue designed to host corporate events, trade fairs and exhibitions of all sizes.

A modern facility that combines flexible spaces, integrated technical infrastructure and a sustainable, efficient operating model, tailored to the specific requirements of every project.

Why SET

- Modular, fully reconfigurable spaces
- Innovation, technology and a strong commitment to sustainability
- A strategic location adjacent to Allianz Stadium
- Secure private parking with CCTV surveillance
- Excellent connectivity via the motorway and Turin Airport

SET is a flexible venue designed to deliver operational efficiency, reliability and exceptional event experiences.

MODO is a trusted partner, delivering complex projects through an integrated organisational model.

Our experience, rigorous process management and unwavering commitment to quality make us the partner of choice for companies, institutions and leading organisations.
